

## Phonics – Knowledge, Understanding and Application from Early Years to KS1

**Course Leader:** Mrs Claire Hubbard  
Primary Teacher and English Consultant  
Managing Director of The Teach Hub

Claire is a highly experienced and knowledgeable Primary English Consultant, currently working in many counties and internationally, supporting numerous schools. She works as both a Key Stage One and Key Stage Two Moderator and has supported many schools in this role. She is the Managing Director of 'The Teach Hub' - a Primary Teaching online and resource company, and she regularly delivers varied Primary English training to schools. She is also a part-time Year Two teacher delivering English training to other teachers each term. 'The Teach Hub' provides a host of tried and tested resources to support each delivered course.

### **Overview of training:**

The course is designed to support subject leaders, EYFS and KS1 teachers, HLTAs and teaching assistants with the teaching of phonics in line with the Letters and Sounds document used by many schools. The training will support staff in the teaching of the daily phonics lesson along with the application of the use of phonics and spellings in everyday writing. Subject knowledge will be explored to ensure teachers work on phonic awareness and decoding skills to support both reading and writing using age-related texts.

### **Course Content:**

- The vocabulary used in phonics
- Clarification of the articulation of sounds
- The four parts to the daily phonics session
- Assessment and the characteristics of a good phonics session.
- Tracking attainment
- Phase 1-6 coverage
- Games and activities to support learning
- The Teach Hub cumulative phonic desk charts from R-Y6
- The importance of vowels, syllables and phonemes
- Current OFSTED requirements
