

Online Phonics Early Years to Key Stage One

Course Leader: Mrs Claire Hubbard
Primary Teacher and English Consultant
Managing Director of The Teach Hub

Claire is a highly experienced and knowledgeable Primary English Consultant, currently working in many counties and internationally, supporting numerous schools. She works as both a Key Stage One and Key Stage Two Moderator and has supported many schools in this role. She is the Managing Director of 'The Teach Hub' - a Primary Teaching online and resource company, and she regularly delivers varied Primary English training to schools. She is also a part-time Year Two teacher delivering English training to other teachers each term.

'The Teach Hub' provides a host of tried and tested resources to support each delivered course.

Overview of training:

This course will support primary teachers in providing the phonics curriculum from Early Years to Key Stage One. It covers a detailed look at ideas and activities for teaching effective systematic phonic lessons based on the six phases of the Letters and Sounds scheme, but the subject knowledge is applicable with any programme used in schools.

Our course focuses on lessons that include handwriting, reading and spelling in words, captions and sentences from Phase 2 to the end of Year 2. This course is aimed at teachers and teaching assistants who would like better subject knowledge for teaching the daily lesson within current recommended guidelines. It links closely to the essential core criteria as stated by 'gov.uk' when following a phonics programme. This is a starter course for newly qualified teachers or anyone working within the primary school age range who needs an up-to-date reminder of phonics provision criteria, with resources and ideas for implementation.

Course Content:

- To understand the key principles of the structure of an effective phonics session.
- Guidance through effective phonics lessons across the six phases/Year Two.
- To look at effective ways to assess phonics.
- To familiarise staff how phonics should be linked across the whole school into KS2.
- To link to current guidelines and recommendations within word reading and phonic provision.
- To support staff in feeling confident with the teaching of phonics across the whole school.
- To have knowledge of a range of resources to support the teaching of phonics in school.
- To build on personal subject knowledge to support the application of phonics.
